Nu hai yue guo xiao lu pa shang le shan qiu  
The girl walked on a path and climbed up a hill

na shi de ta hai bu dong wei shen me  
In those days, the girl still don't know why

ying huo chong dou bu dong  
The fire-flies didn't move at all

ting zhu zai ye kong dian liang le xiao xiao yu zhou  
Stop at the night sky, they light up a small universe

nu hai man man zhang da que hai she mong dong  
The girl slowly grows up but is still ignorant

na shi de ta hai bu dong wei she me  
In those days, the girl still don't know why

da ren men neng chou kong  
The adults can find time to

wei shi lian he bei jiu que mei kong kan kan xing kong  
Drink some beer to cure the disappointment in love  
But they've no time to look  
at the starry sky

"bu yao bu yao wang le zuo guo de meng"  
"Don't Don't Forget what you've dreamt of"

tian shang de xing xing fan fu ting ta su shuo xing fen  
de shan suo  
The stars above Are as if listening to what she's stating  
And shining excitedly

wo yao bian cheng na yi ke xing xing zheng ye dou  
liang jing jing  
I want to become that particular star, Sparkling every  
night

bu pa ying an de hei ying jiao ao de shan bu ting  
Not afraid of the mysterious black shadow, Sparkling

arrogantly

SHINING (SHINING) liang li dao yu er dou du ji  
SHINING (SHINING) Pretty till the moon's jealous of it

can lan de yi ke xing xing yi shen ye liang jing jing  
A glorious star, Is sparkling the whole life

ying wei ye gui da bei ying you le wo de zhi ying  
Because the back view of those who went home late  
Have my guide

SHINING (SHINING) yong qi jiu zai ni shou xin  
SHINING (SHINING) The course is in your hands

nu hai bu zai dan chun que bu gou cheng shou  
The girl Is not innocent anymore but still not mature  
enough

zhe shi de ta sui ran dong wei she me  
In those days, Although the girl still don't know why

mei li zhong you ai chou  
Glamorous always have plaintive sadness

mei dang you lei er liu que hui dao na ge yu zhou  
Whenever there are tears flowing down, It will be back  
to the universe

nu hai you tian jiang hui dao na li chu zou  
The girl Will one day go there

na shi de ta zhong hui wen wei she me  
In those days, She'll always ask why

yi ge meng na me zhong  
A dream is so heavy

zhi xi wang fang qi qian neng xiang qi na pian xing  
kong  
Only to hope that when decided to give up,  
Can still think of that starry sky

Twinkle twinkle little star  
How i wonder what you are  
Believe, believe, believe, you are the only star.

A long time ago a little girl wanted to find her future  
she went to the  
mountain and ask the sky:  
"Where is my future?"

And just then, a little star said:  
"Sweetie, the future is in your hands!"  
Yes, the future is in our hands
