Well I was standing at the bar just minding my own
When you came up and talked to me
You said baby, you've got it going on

One thing led to another and before too long
I was shaking peaches on the tree
It was alright, yeah it was pretty good

Well I don't understand why this feeling won't leave me
alone, ooh
Like a fire in my heart it's a feeling I've never known
ooh

Cause I got, no time
I aint got no time for love
Got, no time
I aint got no time for love

Well you asked if you were ever gonna see me again
I said yeah, and wrote my number down
But don't get excited
I've given it to all the girls

Well leave it up, shake it all over the place
I don't need no one the time to tell
And besides that, I really just don't care

Just because I called you up don't mean you mean that
much to me
These goosebumps baby are only cause it's 10
degrees, ooh!

Cause I got, no time
I aint got no time for love
Got, no time
I aint got no time for love

I find it hard to feel
I'm all messed up
This aint right, cause I got no time for love

Well I don't understand why this is feeling so damn
strange
My heart's made of stone, and baby it'll never change
Just cause I drew a little heart right next to your name

Cause I got, no time
I aint got no time for love
Got, no time
I aint got no time for love

Got, no time
I aint got no time for love
Got, no time
I aint got no time for love

I aint got no time for love
Baby, I aint got no time for love
Ooh, I aint got no time for love
Baby, I aint got no time for love, oww!
