Drawn To The Fire

Buffy

I touch the fire and it freezes me  
I look into it and its black  
Why can't I feel? My skin should crack and peel  
I want the fire back  
Now through the smoke she calls to me  
To make make my way across the flame  
To save the day or maybe melt away  
I guess it's all the same  
So I will, walk through the fire  
Cuz where else can I turn?  
I will walk through the fire  
And let it?

Spike

The torch out there  
Is scorching me  
Buffy's life and I'm no doubt  
I hope she fries I'm free if that bitch dies  
I better help her out

Devil

Cuz she drawn to the fire  
Some people she will never learn  
All

And she will walk through the fire  
And let it?  
Giles

Will this do a thing to change her?  
Am I leaving Don in danger?  
Is my slayer to far gone to care?

Xzander

Buffy

All

And we are caught in a fire  
The a point of no return  
So we will walk through the fire  
And let it?
