TARA

I lived my life in shadow
Never the sun on my face
It didn't seem so sad though
I figured that was my place
Now I'm bathed in light
Something just isn't right

I'm under your spell
How else could it be...
Anyone would notice me?
It's magick I can tell
How you've set me free
Brought me out so easily

I saw a world enchanted
Spirits and charms in the air
I always took for granted
I was the only one there
But your powers' shown
Brighter than any I've known

I'm under your spell
Nothing I can do
You just took my soul with you
You worked your charm so well
Finally I knew
Everything I dreamed was true
You make me Believe!

TARA

The moon to the tide
I can feel you inside

I'm under your spell
Searching like the sea
Brought to you so helplessly
I break with every swell

Lost in ecstasy
Spread beneath my Willow tree
You make me Complete!

CHOIR

TARA
You make me complete

CHOIR

TARA
You make me Complete!
