All your ladies pop your thing like this, like this, like-like-like this (x 5)

Oh, girl hotter than the tea pot,
High heels standing tall like a tree top,
Tell the DJ to never let the beat stop
Â'cause the way that she moving it oh she gonna get it
Will you gonna get it, uh baby don't stop
Â'cause you're looking so good you're on my mind
now,
Tell me what is gonna be your drinks on me,
I'll buy you around.

Pre Chorus:

Them drinks taking over, you no longer sober,
Keep grabbing my shoulder, now I don't need babe
Why don't you?
Wanna bring you to my house yeah on the couch yeah
Wanna knock it, knock it out yeah, get em out yeah
Wanna bring you to my house yeah,
Wanna knock it, knock it out yeah, get em out yeah.

Chorus:

Girl, you know, the way you move it turning me on
Think I wanna take you home,
But before we leave she gotta hear the song.

(4x)

All your ladies pop your thing like this,
When you're so like this, like-like-like this

Girl holla at the DJ, tell I'm gone with the record on
replay
Â'cause I love the way you move that thing, round
round round and round
Uh, can't wait to get you back in my place
Girl I got dance in hands
And I know a few make you dance,
Gonna get lose, you lose me Suzie,
Grab a couple friends we can meeting at jacuzzi,

Pre Chorus:

Them drinks taking over, you no longer sober,
Keep grabbing my shoulder, now I don't need babe
Why don't you?
Wanna bring you to my house yeah on the couch yeah
Wanna knock it, knock it out yeah, get em out yeah
Wanna bring you to my house yeah,
Wanna knock it, knock it out yeah, get em out yeah.

Chorus:

Girl, you know, the way you move it turning me on
Think I wanna take you home,
But before we leave she gotta hear the song.

All your ladies pop your thing like this,
When you're so like this, like-like-like this.

I'ma knock it, knock it out yeah, on the couch yeah
Long hair, don't care, many come from unclear,
Baby don't stop, hit it in, like a key start,
Big booty man drug like a retard,
We are real niggas ten figures,
If you wanna sign us, make your girl sign up,
Oh, big butt you gonna have to climb up
I'll call everything you can out shine us.

[Chorus:]
