7 years and 50 days, the time is passing by  
Nothing in this world can be as nice as you and I  
And how could we break up like this?  
And how could we be wrong?  
So many years, so many days and I still sing my song

Now I run to you like I always do  
When I close my eyes I think of you  
Such a lonely girl  
Such a lonely world  
When I close my eyes I dream

I return to you like I always do  
When I close my eyes I think of you  
Such a lonely girl  
Such a lonely world  
When I close my eyes I dream â€¦ Of you

7 years and 50 days, now just look at me  
Am I the girl I use to be  
So damn what do you see?  
And how could we break up like this?  
And how could we be wrong?  
So many years, so many days and I still sing my song

Now I run to you like I always do  
When I close my eyes I think of you  
Such a lonely girl  
Such a lonely world  
When I close my eyes I dream

I return to you like I always do  
When I close my eyes I think of you  
Such a lonely girl  
Such a lonely world  
When I close my eyes I dream â€¦ Of you
