"Angel On My Shoulder"

Got an angel on my shoulder
Got a penny in my pocket
And I found four-leaf clover
And I put it in my locket

Wished on all the stars above me
And I caught the nearest rainbow
Gonna find someone to love me
Gonna find someone to love

Well I tossed a lot o' nickels in a wishing well
And saved the fortunes that the fortune cookies tell
I've got a lucky penny and a mustard seed
But a warm and tender love is all I need

And I want a love that lingers
And is stronger through and through
So I'm gonna cross my fingers
That I find a boy to love me true
And I'm gonna love him too

And I'm gonna love him too
