It's over boy  
Every one can tell  
No need to hide it from your friends  
It's sad but it's true  
You got yourself to blame  
And you will never understand  
Don't try to talk me into it again

I will believe it  
when i see it  
With my own eyes  
No more lies

I will believe it  
when I receive the love  
that makes me feel alive

I will believe it  
when I see it  
With my own eyes  
No more lies

I will believe it  
that I can feel your love  
So now I realise  
This is good bye

This is good bye

Let's face it boy  
It wasn't meant to be  
You and me  
Don't you understand  
Don't try to talk me into it again

I will believe it  
when i see it  
With my own eyes  
No more lies

I will believe it

when I receive the love  
that makes me feel alive

I will believe it  
when I see it  
With my own eyes  
No more lies

I will believe it  
that I can feel your love  
So now I realise  
This is goodbye

This is goodbye

This is goodbye
