C'mon happy people get on the floor
Do you feel it so right?
So c'mon raise your hands up, hands in the air
Magic summer night (shakalakaboom!)

C'mon happy people get on the floor
Do you feel it so right?
So com'on raise your hands up, hands in the air
Magic summer night

School is out that's all what we need
Stars are shinning so bright
So c'mon raise your hands up, hands in the air
Magic summer night(shakalakaboom!)

Are you ready?

C'mon!

Get up and dance!

Shakalakaboom!

C'mon happy people get on the floor
Do you feel it so right?
So c'mon raise your hands up, hands in the air
Magic summer night (shakalakaboom!)

School is out that's all what we need
Stars are shinning so bright
So c'mon raise your hands up, hands in the air
Magic summer night (c-c-c'mon)

Get up and dance!

C'mon happy people get on the floor
Do you feel it so right?
So c'mon raise your hands up, hands in the air
Magic summer night (c'mon)

School is out that's all what we need

Stars are shinning so bright
So c'mon raise your hands up, hands in the air
Magic summer night!

Shakalakaboom!
