Listen to the rhythm of the falling rain
Telling me just what a fool I've been
I wish that it would go and let me cry in vain
And let me be alone again

The only girl I care about has gone away
Looking for a brand new start
But little does she know
That when she left that day
Along with her she took my heart

Rain please tell me now does that seem fair
For her to steal my heart away when she don't care
I can't love another when my hearts somewhere far
away

The only girl I care about has gone away
Looking for a brand new start
But little does she know that when she left that day
Along with her she took my heart

[Instrumental Interlude]

Rain won't you tell her that I love her so
Please ask the sun to set her heart aglow
Rain in her heart and let the love we knew start to grow

Listen to the rhythm of the falling rain
Telling me just what a fool I've been
I wish that it would go and let me cry in vain
And let me be alone again

Oh, listen to the falling rain
Pitter pater, pitter pater
Oh, oh, oh, listen to the falling rain
Pitter pater, pitter pater
