If I can only see  
that your love for me is not for ever  
Then I will always be free  
from the chains of love you bind me too  
Oh baby baby please  
Won't you save your kisses for another?  
Cause I won't be a fool  
For the love you promised but won't deliver

I'm just a simple girl  
Who is hooked to your sweet charm  
but the love you promised will never be here in my  
arms  
(never be here in my arms)

Oh baby baby please  
Won't you leave me all alone now honey  
Here's my one last kiss  
If you can't make up your mind now then it's goodbye

I'm just a simple girl  
Who is hooked to your sweet charm  
but the love you promised will never be here in my  
arms
