Chorus:

Liar, liar, pants on fire  
Your nose is longer than a telephone wire

Verse 1:

Ask me, baby, why I'm sad  
You been out all night, know you been bad  
Don't tell me different, know it's a lie  
Come kill me, honey, see how I cry

Verse 2:

Why must you hurt me, do what you do  
Listen here, girl, can't you see I love you  
Make a little effort, try to be true  
I'll be happy, not so blue

[repeat chorus]

Verse 3:

If you keep on tellin' me those lies  
Still goin' out with other guys  
There'll come a day I'll be gone  
Take my advice, won't be long

Verse 4:

When that day comes, won't be mad  
Be free of you, but I'll still be sad  
In spite of your cheatin', still love you so  
I'll be unhappy if I let you go

[repeat chorus]
