I just can't understand the ways, Of all the men and  
their mistakes. You give them all your heart, and then  
they rip it all away...

- You told me how much you loved me, And how our  
love was meant to be. And i believed in you, i thought  
that you would set me free...

(chorus)

You should've just told me the truth, That i wasn't the  
girl for you... Still i didn't have a clue, So my heart  
depended on You... Whoah

Although i'll say 'i hate u' now, Although i'll shout and  
curse you out... I'll always have love for you, Because i  
am a girl

Been told a man will leave you cold, Get sick of you  
and bored... I know that it's no lie, I gave my all still i  
just cry. Never again will i be fooled, to give my all  
when nothing's true... I won't be played again, but i will  
fall in love again...

(chorus)

You should've just told me the truth, That i wasn't the  
girl for you... Still i didn't have a clue, So my heart  
depended on You... Whoah

Although i'll say 'i hate u' now, Although i'll shout and  
curse you out... I'll always have love for you, Because i  
am a girl

--- I loved u so... now u leave me in the cold, How could  
this be, i thought that u'd only love me... Into the night, i  
will pray that you're alright.. You hurt me so, I can't let u  
go ---

(bridge)

You took advantage of my willingness to do anything

for love, Now i'm the only one in pain... will you please  
take it all away~ Oh~

(chorus)

Never thought born being a girl, How i can love you and  
be burned... And now i will build a wall, to never get  
torn again~

Although i'll say 'i hate u' now, Although i'll shout and  
curse you out... I'll always have love for you, Because i  
am a girl

Although i'll say 'i hate u' now, Although i'll shout and  
curse you out... I'll always have love for you, Because i  
am a girl
