"I Have Nothing"

Share my life, take me for what I am
Cause I'll never change all my colours for you
Take my love, I'll never ask for too much
Just all that you are and everything that you do

I don't really need to look very much further
I don't want to have to go where you don't follow
I won't hold it back again, this passion inside
Can't run from myself
There's nowhere to hide
(Your love I'll remember forever)

Don't make me close one more door
I don't wanna hurt anymore
Stay in my arms if you dare
Or must I imagine you there
Don't walk away from me...
I have nothing, nothing, nothing
If I don't have you, you, you, you.

You see through, right to the heart of me
You break down my walls with the strength of you love
I never knew love like I've known it with you
Will a memory survive, one I can hold on to

repeat (chorus)
