If I should stay
I would only be in your way,
So I'll go, but I know
I will think of you every step of the way.

Chorus:
And I will always love you, will always love you.
You, my darling, you.

Umm, bittersweet memories,
That is all I'm taking with me.
So good bye, please don't cry.
We both know I'm not what you, you need.

Chorus

I hope life treats you kind,
And I hope you have all you dreamed of.
And I wish you joy and happiness,
but above all this i wish you, love.

Chorus
