I still hear you,
I still see you
When I close my eyes
I could still feel you
And I still want you,
Loveâ€¦ never dies
Loveâ€¦ Loveâ€¦ Loveâ€¦ never dies
Loveâ€¦ Loveâ€¦ Loveâ€¦ never dies

We must have sat upon an old bench
For ten long summers
Girls and football, and it was green and birds and
alcohol
I won't forget the night that
We just couldn't make you listen
You thought you were always right
But you were so, so wrong you were so headstrong,
and now you're gone
But I still hear you
I still feel you

When I close my eyes,
I still need you
And I still want you,
You see love never dies
Loveâ€¦ loveâ€¦ love â€¦ never dies
[â€¦]
Abandoned by the [â€¦]
Because we were throwing rocks and climbing trees
now it's pushing rocks and transfer fees

Memories are playing
Like music in the distance,
Why did you leave the party so, so soon
You should be here with me when I play that tune
I still hear you
I still see you when I close my eyes
Loveâ€¦ never dies
Loveâ€¦ never dies
Loveâ€¦ loveâ€¦loveâ€¦ never dies
Loveâ€¦ loveâ€¦ loveâ€¦ never dies
