Your name will last forever
And greatness be remembered
Your name will never fade
Your name will never fade
Your light is everlasting
And grace just so amazing
Your love forever reigns
Your love forever reigns

Until my breath runs dry
I will sing of how you saved my life
How great the name of Jesus
How great the name

Woa-oh woah, how great the name
How great the name

Unending love with amazing grace
How sweet the sound
How great the name of Jesus, of Jesus
Unending love with amazing grace
How sweet the sound
How great the name of Jesus, of Jesus

Jesus, Jesus (Great the name of)
