Girl if I could be anything in this world  
I would love to be, I'm almost ashamed, huh  
I would love to be your clothes, your clothes baby

I'd wrap round both your legs  
Like the dress you're wearing now  
Oh, so tight, feels so right  
If I could, I would  
I'd lay my head on your chest  
Like the necklace round your neck  
Show me off, never take me off  
If I could, I would be

Everything in your closet that you put on  
I don't mind lady... put me on, yeah  
Wear me like Gucci, wear me like Louie  
Girl take me home and take it off, just to put me off  
Take it off, just to put me on, take it off, just to put me  
on  
Put me on, girl put me on

You can strap me in, like your heels  
And I will lift you up  
So high baby, high above, with so much love  
If I could, I would

... you up, like your teddy or your necklace, yeah  
Baby girl there's nothing I won't...  
To make you feel sexy  
Shawty I, I won't lie  
If I could, I would be

Everything in your closet that you put on  
I don't mind lady... put me on, yeah  
Wear me like Gucci, wear me like Louie  
Girl take me home and take it off, just to put me off  
Take it off, just to put me on, take it off, just to put me  
on  
Put me on, girl put me on  
Wear me like Gucci, wear me like Louie  
Girl take me home and take it off, just to put me off

Take it off, just to put me on, take it off, just to put me  
on  
Put me on, girl put me on  
Wear me like Gucci, wear me like Louie  
Girl take me home and take it off, just to put me off  
Take it off, just to put me on, take it off, just to put me  
on  
Put me on, girl put me on.
