I remember April, when the sun was in the sky,
And love burning in your eyes,
Nothing in the world could bother me,
'Cause I was living in the world of exstacy.
But now you've gone ...

(Chorus)

I'm just a Daydreamer, I'm walking in the rain,
Chasing after rainbows, that I may never find again,
Life is much too beautiful to live it alone,
Though how much you need someone to call my very
own

Now the summers old,
And I find myself alone with only memories of you,
I was so in love I couldn't see
'Cause I was living in world of make believe and now
your gone.

Chorus x3

I'm just a Daydreamer baby
