Yahweh Yahweh when Messiah come with a brand new  
day  
Yahweh Yahweh when Messiah come we be blessed all  
day

It's hard to find hope when the world shies away  
From the light, darkness is where it wants to be  
But I can lean on where I find, the light the truth the life,  
oh

Who is big enough, who is strong enough, who can lift  
me up, who can rise above?  
I know only one, I know only one, I know only one

Oh, it's Jesus  
Yahweh Yahweh when Messiah come with a brand new  
day  
Oh, it's Jesus  
Yahweh Yahweh when Messiah come we be blessed all  
day  
Oh, it's Jesus  
Yahweh Yahweh when Messiah come with a brand new  
day  
Who my belief is in  
Yahweh Yahweh when Messiah come we be blessed all  
day

I try to throw my arms wide enough around the world  
I want to feed the hungry little boys and little girls  
I wonder how I can make a change  
But the world needs more, it needs to be saved

Who is big enough, who is strong enough, who can lift  
me up, who can rise above?  
I know only one, I know only one, I know only one

Oh, it's Jesus  
Yahweh Yahweh when Messiah come with a brand new  
day  
Oh, it's Jesus  
Yahweh Yahweh when Messiah come we be blessed all

day  
Who my belief is in  
Yahweh Yahweh when Messiah come with a brand new  
day  
Who my belief is in  
Yahweh Yahweh when Messiah come we be blessed all  
day

When the sun comes out, will the rocks cry out or am I  
first to respond  
When they see my life will they know I'm the one your  
name's one  
I have no other hope that I can lean on  
Apart from the blessed name who brings strength in  
his Kingdom  
See no matter what them do, and no matter what them  
say  
Every knee shall bow every tongue confess everybody  
lay prostrate  
Lover of our souls bring a new day  
We need you Yahweh, who in the world can save?

Who in the world can save us?  
Who in the world can save us?  
Who in the world can save us, save us, save us?  
Who in the world can save us?  
Who in the world can save us?  
Who in the world can save us, save us, save us?

Yahweh Yahweh when Messiah come with a brand new  
day  
Yahweh Yahweh when Messiah come we be blessed all  
day
