(Verse 1)

I'm so ashamed
I can't think straight
I'm sick and tired of everything on my mind
I can't wait
To get outta this place
Why can't you get off my case?
Just this time
Everything's fine
Until you look into my eyes
Cuz I stare off in space

(Verse 2)

Everyone thinks its okay
But they never took the time
To hear what I have to say
Jesus Christ â€¦
I'm up all night
Just thinkin' about yesterday

(Chorus)

Someone save me
I'm goin' crazy
This shits stuck in my mind
Can't you take the time to realize?
That I'm not okay

(Verse 3)

I hear the whispers â€¦ in the air
Sometimes I wanna say I really don't care
Everything is just creeping up inside me
I can't control myself
Control myself

(Chorus)

Someone save me
I'm goin' crazy
This shits stuck in my mind
Can't you take the time to realize?
That I'm not okay

(Verse 1)

(Verse 2)
