Huh aaa  
Huh aaa aaa aaa  
Aaa aaa  
Huh aaa aaa aaa

I know you're gonna break it  
You're gonna break it clean  
(Huh aaa)  
This frame never could take a  
Season so cruel and mean  
I can't be who I wanna be  
These walls are, aren't mine

Nobody else can make me right  
Nobody else can feel this wrong  
And in one moment I am light  
Another dead as night  
I should have known I'd never own  
This borrowed home

(Too)  
Too deep into the passage  
(Too deep, too deep)  
Of love so overgrown  
And now forever, I'm cast as  
(And now, I'm cast)  
Heavy as sinking stone  
(Heavy)  
I can't rise when I wanna rise  
In this bed, I sleep with ghosts

Nobody else can make me right  
Nobody else can feel this wrong  
And in one moment, I am light  
Another dead as night  
I should have known I'd never own  
This borrowed home

Yea yea yeah yea  
Naa naa  
The windows open and the truth closes in  
(Ahh ahh ahh)

What a sweet beginning to the bitter end!  
I can't live where I wanna live  
If I can't find my way home

Nobody else can make me right  
Nobody else can feel this wrong  
And in one moment I am light  
Another dead as night  
I should have known I'd never own  
This borrowed home

I'm home  
(I'm home, borrowed home)  
Borrowed home  
(I'm home, borrowed home)  
Yeah, I'm home
