My revolution
Welcome to my revolution
My revolution, my revolution, my revolution, my
revolution
My revolution, yeah, yeah, yeah

Learning to turn the outside inside out
(Inside outside inside out)
Having the courage to find what life is all about
Loving so purely can surely melt a frozen heart
Knowing sometimes all over's the perfect place to start

Welcome to my revolution
Lucky you, lucky me, the way we were meant to be
This is my one resolution and I make it with no fear
To live, to love today 'cause it's a brand new year

Seeing the world through rose-colored eyes
Yeah, this is my one big chance and I'm gonna take it
twice
With the past down below, I know love lifted me up here
So I'll take a breath, kiss the sky, toll the bell 'cause it's
a brand new year

Welcome to my revolution
Lucky you, lucky me, the way we were meant to be
This is my one resolution and I make it with no fear
To live, to love today 'cause it's a brand new year

Resiliently reclaiming me
Refining my recovery
Untwist my fate, unlock the gate
Let's make a little noise
'Cause it's a brand new year
Oh, welcome to my revolution

Welcome to my revolution, baby, yeah
Lucky you, lucky me, the way we were meant to be
This is my one resolution and I make it with no fear
It's never been so clear, second chance is what got me
here
To live, to love today 'cause it's a brand new year

Lucky you, lucky me 'cause it's a brand new year
Oh, oh, lucky you, lucky me 'cause it's a brand new
year
Welcome to my revolution
Lucky you, lucky me, yeah, yeah
Welcome to my revolution
Lucky you, lucky me, yeah, yeah
Welcome to my revolution
