(Kristyn Osborn)

Head under the pillow
No wonder you're not breathin'
You know you got a million reasons
Get up tell your toes the happy news
You got somethin' better to do

Chorus:

Just make your mind up
You don't wanna wind up
Wishing for wishes with no pennies to throw
Go dream your heart out
Watch it all fall down
That bucket full of beautiful (yeah)

The fortune in the cookie
Is just a piece a paper
Life is a waiting elevator
Climb in and I'll take you for a ride (climb in)
Up or down you get to decide

Repeat Chorus

That bucket full of beautiful

Bridge:

(Bump bump bump)
Well take off the bubble wrap baby
Yeah dontcha be afraid of the bump
Bump bump bump
Take a walk in the sunshine Shady
And just maybe you'll get what you want (want)

Repeat Chorus 2x

That bucket full of beautiful
That bucket full of beautiful yeah
