Look at me, I'm gorgeous in my housecoat with my
coffee cup
I bend to get the paper, every neighbour's tryin' to
check me out
Look at me, I'm lovely as I wave beside my Minivan
Look at how my diamonds seem to sparkle on the
garbage can

God bless the Canadian housewife
(How she does it all I'll never know)
God bless the Canadian housewife
(She could use a miracle for sure)
God bless the Canadian housewife
(Cleanin' up the world for you and me)
God bless the Canadian housewife

(Ah-ah, ah-ah, ah)

Look at how my children play Commando in the cul-de-
sac
Look at how my husband has survived another heart
attack
Look at all the other mothers envious of all my things
Have to call the plumber 'cause my daughter flushed
my wedding ring

God bless the Canadian housewife
(How she does it all I'll never know)
God bless the Canadian housewife
(She could use a miracle for sure)
God bless the Canadian housewife
(Cleanin' up the world for you and me)
God bless the Canadian housewife
(Ah-ah, ah-ah, ah)

Look at me, I'm beautiful and glamorous in rubber
gloves
Look how my Tiara can be bent back to the shape it was
I can do the laundry and make dinner while I'm on the
phone
Look at me, I'm sexy as the devil when I mow the lawn

God bless the Canadian housewife
(How she does it all I'll never know)
God bless the Canadian housewife
(She could use a miracle for sure)
God bless the Canadian housewife
(Cleanin' up the world for you and me)
God bless the Canadian housewife

God bless the Canadian housewife
(How she does it all I'll never know)
God bless the Canadian housewife
(She could use a miracle for sure)(x2)
God bless the Canadian housewife
(Cleanin' up the world for you and me)
God bless the Canadian housewife!!
