God only knows how I've needed a friend
Who can see through the boldness and pride
Someone strong enough to put my faith in
Someone willing to let me inside
So be a man
And be my man

[First Chorus:]

I dare you to need me like nobody else
I dare you to feel me like you've never felt
I dare you to want to want
Want to be good to me

Baby you've got your reasons dangling
from kite strings
Can you open your hands and let them fly
I know you won't always say and do the
right things
But some things are worth a try
If you can
Be my man

[Second Chorus:]

I dare you to know me like I've never known
I dare you to show me that I can be shown
Dare you to want to want
Want to be good to me

[Bridge:]

Tell me I'm
Tell me I'm the one who deserves you
And every time
Every time you know that you want to
Yeah, I dare you

[Third Chorus:]

I dare you to hold me like you never
will - again
Kiss me and leave the earth standing still
Dare you to want to want

[Repeat First Chorus]

Yeah, I dare you to want to want
Want to be good to me
