How can I keep from singing?  
My life goes on in endless song  
I hear the music ringing  
It find an echo in my soul  
How can I keep from singing?

I won't be bored  
I won't be ignored

I won't be your dirty secret  
I won't be your cure-all pill  
I won't run to fetch the water  
Just to tumble down the hill

I won't be your Friday paycheck  
I won't be the prize you flaunt  
And I won't be your Martha Stewart, baby  
Or your all night restaurant

But I will, I will, I will be your everything  
If you make me feel like a woman should  
Yeah I will, I will, I will be the whole shebang  
You know I will

But, I won't be your crutch to lean on  
I won't wear stiletto heels  
I won't walk a mile in your shoes  
Just so I know how it feels

I won't be your obligation  
I won't be your Barbie doll  
And I won't be the portrait of perfection  
To adorn your wall

But I will, I will, I will be your everything  
If you make me feel like a woman should  
Yeah I will, I will, I will be the whole shebang  
You know I will, but

Hey you know, you know I will all right

I won't be your lifetime girlfriend

I won't be just one of the guys  
I won't be your mama's favorite  
I refuse to be the last in line

But I will, I will, I will be your everything  
If you feel make me feel like a woman should  
Yeah, I will, I will, I will be the whole shebang  
You know I will

Yeah, I will, I will, I will be your everything  
I will, I will be the whole shebang  
I will, I will be your everything  
I will, I will, I will, I will, I will yeah

You know I will  
You know, you know I will  
You know I will  
You know, you know I will  
You know I will, but
