I'm gonna tell you something you don't want to hear.  
You never listen when I talk,  
Maybe you'll listen when I walk.  
So I made up my mind and made a sandwich  
And I didn't she'd a tear.  
I gave you one last minute of my time  
In this mess I left behind.

You'll come home tonight,  
And turn on the light,  
Don't you be surprised to find,  
My little goodbyes.

Empty hangers by the closet door,  
Lipstick tube on the bathroom floor(My Little  
Goodbyes).  
Unpaid bills by the kitchen phone,  
I took the Beatles, left Billy Joel.  
My little goodbyes  
Little good, little goodbyes

I'm sure you're sure I'll be back in just an hour or two.  
You'll tape a Hallmark to my door,  
They always said it better than you.  
And if you're wonderin' when you're gonna hear from  
me,  
Well take a real good look around boy,  
And it won't be hard to see.

When you come home tonight,  
And turn on the light,  
Don't you be surprised to find,  
My little goodbyes

Took your favorite Dodgers hat,  
Left the litter, but I took the cat.  
My little goodbyes  
Loaded up the TV in the back of my car,  
Have fun watching the VCR.  
My little goodbyes  
Little Goodbyes, oh baby, little good, little goodbyes

Bridge:

So cry to your mom and your sympathetic friends,  
And tell 'em how the story ends.

My Little Goodbyes

Took the hourglass left the sand,  
Now you got time on your hands.

My little goodbyes

Took the statue from Japan,  
Funny little Buddah man.

My little goodbyes

Change my voice on the machine,  
Or there'll be little goodbyes with every ring.

My little goodbyes

Left the pictures took the frames,  
Got the umbrella, here comes the rain.

Yeah, yeah, yeah

Rain, yeah, yeah, yeah

Hey, yeah, yeah, yeah

Hey, yeah, yeah, yeah

Little Goodbyes

Hey, yeah, yeah, yeah

Hey, yeah, yeah, yeah

Little Goodbyes
