(Kristyn Osborn/Holly Poole)

Hey yeah yeah yeah yeah
Hoah, ooh

Sun kisses the windowsill
And I am still on my second cup of pity me
Yeah, it's been a long night chasing ghosts
But at the most, it's been a rude awakening
That all too late I finally see (I finally see), I see
That it's -

My loss, my lonely
My mistake, mine only
Mine all, mine all, mine (mine)
Hoah, and it's my bad, my broken
All my should have left unspoken
Mine all, mine all, mine

Hoah hoah hoah yeah
I drove you to the edge of the map
And after that, I pushed you off just to watch you
fall
You never were the bounce back kind
But boy, this time you've proven me wrong after all
Now I'm the one who's gonna crawl
Cause it's -

My loss, my lonely
My mistake, mine only
Mine all, mine all, mine (mine)
Hoah, and it's my bad, my broken
All my should have left unspoken
Mine all, mine all, mine

Always thought I'd get to sorry
But the chance has come and gone
So if it finds its way back in
I'll hold on, hold on, hold on

My loss (that's my loss)
My lonely (my lonely)

My mistake (my mistake)
Mine only
Mine all, mine all
Mine all, mine all
Mine all, mine
It's mine all mine
It's mine all mine
Yeah it's mine all mine
All mine, all mine
All mine, all mine
