(Kristyn Osborn)

Ahh, ahhh, ooh

In my meager defense  
I've tries to make sense  
Of the chaos that clutters my mind  
You could nail to my soul  
Every reason to go  
But the reason to stay I would find

'Cause there's no resolution  
Or clear cut conclusion  
As I'm caught between the ebb and flo  
But for you I'll discover  
The will to recover  
For you I'll be first to let go  
(Hoah, hoah, hoah), Mmmmm

I'm not his, I'm not yours  
I'm not mine anymore  
Somehow the silver lining was torn  
And we won't get too far  
With the door just ajar  
Only whispers keeping us warm

'Cause there's no resolution  
Or clear cut conclusion  
As I'm caught between the ebb and flo  
But for you I'll discover  
The will to recover  
For you I'll be first to let go  
The first to let go

I'll send you a lullaby  
Across the burnt orange sky  
So looking to heaven you'll know  
For you I let go

When I see on your face  
One day I've been replaced  
I'll smile as I watch you fly

And say one grateful prayer  
To the angel who's there  
And cry for the one left behind

'Cause there's no resolution  
Or clear-cut conclusion  
As I'm caught between the ebb and flo  
But for you I discovered  
The will to recover  
For you I was first to let go  
Oh, the first to let go
