(repeated modified)

{Big Supreme}

I'm just a big time survivor, from the juck sells of dicks  
From the lie to the shorties, sex for kicks  
You know, keeps a gat in the rest, just in case problema  
Savin and said it son, yeah whatever yeah  
I keep a vest for dell, nowadays, yeah  
It ain't hard to tell, I change my way for the right  
I advise now, a major plan, live it out to the letter  
It's bound to expand, but still a no shorter  
No loss operation, major dipps rivid  
Ya savin locked and a tape it yeah  
Recognize, the streets you blow fast  
Get knocked, now you test and try to duet  
You better step, way above what you normally pay  
That the right no doubt you gotta be upstate  
Bid, must be kiddin, not suppose to be  
Worthwile, to bullshittin, stop fuckin with me

Chorus 2X

Cuz I'm stronger now, yeah took a while to see  
Big Supreme hustle hard gettin money yeah  
I'm stronger now, yeah took a while to see

{Big Supreme}

Aiyo  
It's like a winner now, as we approach the drop zone  
Bigger joint, the title says it alone  
With a fear consciense, no nonsense, says a vet  
Black mutt the same bitch fresh eject cuz they peck  
But I'mma fast forward, earn my pay everyday

My flow design a vict, evil ways when you press play  
Word, true to God and to planetary dominance  
Lyrics are large, cuz I race 'em on common sense  
Battle ready, underground like Manhattan  
Neighborhood Network  
Undisputed expert  
Yeah check a felon, cuz I don't pedal no rasta flip  
Watch it son, have receipt when I rips with  
Pure prestine cock deep powerful  
You be god Big Supreme nigga what ya wanna do?  
Make ya run around, what he say? he say what?  
Yo sit the fuck down, I told ya what the fuck yo  
When I'm dirtin rot and not a second the floor  
I told ya, I'm Big Supreme from the UB4

Chorus 4X
