Ooh, oh babe, ooh yeah

There's a reason why I'm trippin
Cause today I saw the finest thing life's ever known
Looking lovely from this distance
And inside of me I know I might be reachin' much too far
And I hope and pray that in my thoughts I'm not alone
Wondering if it's hindered by my flow
But I'm a working man, I can't afford to ball
But when our bodies touch my whole world
Just explodes, but that's just wishful thinking Ai-

[1] - (Just hoping you'll be mine)
Wishing it was true that we two could be lovers
It's just wishful thinking
(Just hoping you'll be mine)
I feel like I kiss you a thousand times
If only in my mind

There's a reason why mind slippin
Cause today I saw the finest thing that my life's ever known
Get the time and some persistence
I believe that I could win the heart of little lovely one

And I hope and pray that in my thoughts I'm not alone
Reality just oughtta slap my face
Baby I'm a working man I can't afford to ball
But when our bodies touch my whole world just explodes
But that's just wishful thinking

[Repeat 1 with variations till end]
