What if I said I wanted to hold you  
For more than just one night  
Oooh, what if I said, I said  
I wanted to show you  
It all, it all, it all  
Is gonna be alright

I'm a good thing  
Make sure you know it  
You only get one shot  
Baby, don't blow it  
I'm the green, green grass  
As far as your big brown eyes can see  
And if you leave  
You'll wanna bring it on back to me, yeah

I know, I know, I know I ain't easy  
To get a handle on  
It don't take more than enough to please me  
But I don't wanna, don't wanna wait to long

'Cause I'm a good thing  
Make sure you know it  
You only get one shot  
Baby, don't blow it  
Yeah, I'm the green, green grass  
As far as your big brown eyes can see  
And if you leave  
You'll wanna bring it on back to me, yeah  
Oh, oh, yeah

Open the door your ready to walk through  
I'm where you prayer was meant to land  
Oooh, give me the holes in your heart  
I promise that I will do anything, everything  
You know I can

Look at me, baby  
I'm a good thing  
Make sure you know it, yeah  
You only get one shot

Baby, don't blow it  
Yeah, I'm the green, green grass  
As far as your big brown eyes can see  
And if you leave, oh, if you leave  
You'll wanna bring it on back to me, yeah  
Bring it on back to me  
Ooooh, yeah, yeah, yeah  
Yeah, yeah, yeah  
Bring it back, bring it back, yeah  
Bring it on back to me  
Oooh, whoa
