Hey Jack, take back
All those lines you're trippin'
That's not who I am
It ain't that quaint
You're composure's slippin'
Right into my hands
('Cause when- just a little bit, just a little bit) I smile
(Just a little bit) You fall hard

(chorus)
Stop listening to you
Start listening to me
I know when the lights are changing, you'll see
If you're liking the view
Baby, it don't come free - yeah, yeah
(Never, never, never)
I think you're gonna stay 'cause I like it that way
I think you're gonna stay 'cause I like it that way

Time to undo
All your achaaic thinking
We're supposed to share this cave
Bye, bye tough guy
Won't know what hit ya till you're down
Your heart's mine to save
('Cause when- just a little bit, just a little bit) I smile
(Just a little bit) You fall hard

(repeat chorus)

Da,da, da, da, da- hey
Da,da, da, da,
Da,da, da, da, da- hey
('Cause when - just a little bit, just a little bit) I smile
(Just a little bit) You fall hard

(repeat chorus)

I think you're gonna stay 'cause I like it that way
I think you're gonna stay 'cause I like it that way
I think you're gonna - stay

Uh-huh
