(Kristyn Osborn)

Ahh, ahhh, ooh

In my meager defense
I've tries to make sense
Of the chaos that clutters my mind
You could nail to my soul
Every reason to go
But the reason to stay I would find

'Cause there's no resolution
Or clear cut conclusion
As I'm caught between the ebb and flo
But for you I'll discover
The will to recover
For you I'll be first to let go
(Hoah, hoah, hoah), Mmmmm

I'm not his, I'm not yours
I'm not mine anymore
Somehow the silver lining was torn
And we won't get too far
With the door just ajar
Only whispers keeping us warm

'Cause there's no resolution
Or clear cut conclusion
As I'm caught between the ebb and flo
But for you I'll discover
The will to recover
For you I'll be first to let go
The first to let go

I'll send you a lullaby
Across the burnt orange sky
So looking to heaven you'll know
For you I let go

When I see on your face
One day I've been replaced

I'll smile as I watch you fly
And say one grateful prayer
To the angel who's there
And cry for the one left behind

'Cause there's no resolution
Or clear-cut conclusion
As I'm caught between the ebb and flo
But for you I discovered
The will to recover
For you I was first to let go
Oh, the first to let go
