(Kristyn Osborn)

Shame, shame, shame
Shoulda let it go too far
Shame, shame, shame
Should've opened up my heart

Well, there you go in the wrong direction
Here I am right where I've always been
Typical, I'm missing my connection
Again, again

Chorus:

Shame, shame, shame
Shoulda let it go too far
Shame, shame, shame
Should've opened up my heart
Yeah you were right within my reach
Something any other fool could see
Shame, shame, shame on me

I found my nerve guess where it was hiding
Crumpled up underneath the kitchen sink
A little late, I didn't read the writing
I read a romance novel instead
Now I can't get you out of my head
Oh, no no

(Repeat Chorus)

Your lips, your fingertips,
Your sun-kissed hair
I see the pieces of you everywhere
You're everywhere

Shame, shame, shame
Should've let it go too far
Shame, shame, shame
Shoulda let it go too far
Shame, shame, shame
I should've opened up my heart

Yeah you were right within my reach
Something any other fool could see
Shame, shame, shame on me

Should've let it go too far
Shame, shame, shame
Should've let it go too far
Oh shame, shame, shame
