Just hear those sleigh bells jingling
Ring-ting-tingling to
Come on it's lovely weather for a sleigh ride together
with you
The snow is falling and friends are calling
Come on it's lovely weather for a sleigh ride together
with you, with you

(Giddy up, giddy up) Let's go, let's look at the snow
We're riding in a wonderland of snow
It's great, just holding your hand
Just holding your hand
Just holding your hand

Our cheeks are rosy and comfy cozy
Were snuggled up two birds of a feather should be
Let's take that road before us
And sing a chorus or two
Come on, it's lovely weather for a sleigh ride together
with you, with you

There's a Christmas party at the home of Farmer Fred
It'll be the perfect ending to the perfect day
It'll nearly be like a picture print by Courier and Ice
These wonderful things are the things we'll remember
all through our lives
These wonderful things are the things we'll remember
all through our lives

Yeah, da doo doo doo, all right
(Ring-ting-tingling, ring-ting-tingling)
Oh the sleigh bells jingling
The snow is falling
Friends are calling
Come on, it's lovely weather for a sleigh ride together
with you, w-with you

(Giddy up, giddy up) Let's go, let's look at the snow
We're riding in a wonderland of snow
It's great, just holding your hand
(Just holding your hand) Just holding your hand

Just holding your hand
Our cheeks are rosy and comfy cozy
Were snuggled up
Two birds of a feather would be
Let's take that road before us
And sing a chorus or two
C'mon it's lovely weather
Yeah, it's lovely weather
Oh, it's lovely weather for a sleigh ride together with
you, w-with you
