When you said yesterday that it's nearly Christmas  
What did I want and I thought just love me, love me,  
love me  
That's what I want for Christmas

When I walk through a room let them see you need me  
Walk through a room let them see you love me, love  
me, love me  
That's what I want for Christmas

Anyone can wish for all the trinkets in the window  
Some can even buy the things they see  
But the presents that I want (I want)  
You'll never find in any window  
Bring me love and bring it just for me (for me)

When you come home at night (baby)  
Take me in your arms and hold me (baby)  
Kiss me, and (let them say you love me) say you love  
me, love me, oh love me  
That's what I want for Christmas

Da da da da da da da da  
Da da da da da da da da

Love me, Love me  
Oh that's what I want, that's what I want for Christmas  
(yeah)

Anyone can wish for all the trinkets in the window  
Some can even buy the things they see (that's what I  
want, that's what I want)  
But the presents that I want (I want)  
You'll never find in any window  
Bring me love and bring it just for me (for me)

When you come home at night  
And you take me in your arms  
And you hold me (hold me) kiss me (kiss me, let them  
see you love me)  
And say you love me (love me), love me (love me), love

me (love me, love me)  
That's what I want for Christmas (that's what I want,  
that's what I want)

(Hold me) Hold me  
(Kiss me) Kiss me  
That's what I want for Christmas
