Up all night thinkin' 'bout the day
You pull me close then you push me away
You could keep pretending you got everythin' you need
But I don't give up so easily

Whatever it takes I'm gonna try
Whatever it takes day or night
I'll climb up that mountain
I'll touch the sky
Everything all in one day
Whatever it takes

Life gets hard, nothing's ever free
You don't believe in the things you can't see
But every now than we need someone to pull us
through
And maybe that someone is you

Whatever it takes I'm gonna try
Whatever it takes day or night
I'll climb up that mountain
I'll touch the sky
Everything all in one day
Whatever it takes

It's not in my mind, I can feel it
Love will unwind
This is real I'm not going away
You can wander but I'm willing to stay

Up all night, hmm
Thinking 'bout the day
You pull me close
And know just what to say

Whatever it takes I'm gonna try
Whatever it takes day or night
I'll climb up that mountain
I'll touch the sky
Everything all in one day
Oh, oh, yeah

Whatever it takes I'm gonna try
Whatever it takes day or night
I'll climb up that mountain
I'll touch the sky
Everything all in one day, yeah
Yeah, yeah, yeah
Whatever it takes
