"Without A Sound"

I pull the covers 'cross the bed
And tuck away the thoughts in my head
And I live behind closed doors
Knowing I will always love you more

And I won't fall apart
I won't lie in pieces on the ground
I won't fall apart
If we say it all without a sound

If we could last another day
Filled with nothing left to say
I will know I've loved my best
Then maybe I could put my heart to rest

I won't fall apart
I won't lie in pieces on the ground
I won't fall apart
If we say it all without a sound

Oooo Oooo
Yeah, Yeah

If I could make the sun rise a little too slow
To keep from hearing what I already know

I won't fall apart
I won't lie in pieces on the ground
I won't fall apart
If we say it all without a sound

I will live behind closed doors
Knowing I will always love you more
