VERSE 1

I can find a reason
To hang on
Even though you've found a new love
And she's what your dreams are made of
But i can't find a reason
To let go
What went wrong can be forgiven
Without you it aint worth living -- alone

CHORUS

And sometimes i wake up crying at night
And sometimes i scream out your name
What right does she have to take you away
When for so long you were mine

VERSE 1

I took out all the pictures of our wedding day
It was time of love and laughter, happy ever after
But even those old pictures had begun to fade
Please tell me she's not real and that you're really
coming home to stay

CHORUS

And sometimes i wake up crying at night
And sometimes i scream out your name
What right does she have to take you away
When for so long you were mine

BRIDGE

I can give you two good reasons
To show you love's not blind
He's two and she's four and you know they adore you
So how can i tell them that you've changed you mind

CHORUS

And sometimes i wake up crying at night
And sometimes i scream out your name
What right does she have to take you away
When for so long you were mine
I remember when you were mine
