"Goodbye Goodbye"

I'm still not certain about some of the lyrics here -- can someone

fill in the parts marked with ??, or correct other minor mistakes?]

Oh, I know something

About the ways of loving

And I tell you, baby,

That something's wrong

(That something's wrong)

Look to the sky above

The mud below....

Something's driving me crazy

I gotta, just got to get away

Goodbye, goodbye, goodbye, goodbye, goodbye,
goodbye, goodbye

wi twith our mud dout ??

when you are burnt out (uh, huh)

kept you fallin on the edge... for far too long

oh, i give you

something so low

Something's driving me crazy

I gotta, just got to get away

Goodbye, goodbye,

goodbye, goodbye,

goodbye, goodbye,

goodbye

[instrumental section]

I need you

Just the time you give me

makes me feel so bad

Goodbye, goodbye, goodbye, goodbye, goodbye,
goodbye, goodbye

Goodbye, goodbye

[The words in parentheses are the chorus' echo of the
singer]

I can't believe

(I can't believe)

I'm still around

(I'm still around)

It's getting kinda late

('s getting kinda late)

I'm gonna leave

(Gonna leave)

For a change of scenery

(Change of scenery)

I'm going crazy

(Going crazy)

It's not the same

('s not the same)

Since you've been around

(Since you've been around)

I'm crazy

(I'm crazy)

So crazy

(So crazy)

You treat me like a dirty clown

(You treat me like a dirty clown)

You're always kickin' my dog around

(Always kickin' my dog around)

I never get nothin' but constant abuse from you

(Never get nothin' but constant abuse from you)

You couldn't care less what I think, or my point of view

(No way.)

[Now listen carefully, and take a deep breath...]

You're always puttin' the make on my friends

always giving them eyes and the dirty lies

driving you without peace to the end of the line ??

here babe is a ticket oneway Cincinnati,

I'm sendin' you home to your ma and daddy, so

don't you call, you'll only be wastin' your tiiiiime!

[wild yells of "yeah"]

Oh, I know something

About the ways of loving.

And I tell you, baby, baby, baby, baby

That something's wrong

Look to the sky above

The mud below....

Something's driving me crazy,

I gotta, just got to get away

I need you, but

just the time that you give me

Goodbye, goodbye, goodbye, goodbye, goodbye,
goodbye, goodbye

Goodbye, goodbye

goodbye, goodbye

goodbye, goodbye

goodbye, goodbye

Goodbye-bye, goodbye-bye, goodbye-bye, goodbye-
bye

Goodbye-bye, goodbye-bye, goodbye-bye, goodbye-
bye

Goodbyebye-byebye-byebye-byebye, goodbyebye-
byebye-byebye-byebye

g'byebye, bye, bye, bye byebye

Goodbye-bye-bye-bye-bye-bye-bye-bye-bye-bye-
bye-bye-bye-bye-bye-bye

goodbye (bye-bye)
