always the same  
you're so blind you can't  
even see what's right in front of your eyes  
strip it down or suit it up  
yet in the end you know it's no surprise  
that i can't move you  
you wouldn't budge if i tried  
and i can't change you  
'cuz if you gave me more it'd be a lie  
that i can't take

'cuz if i keep on tryin'  
then i'll just keep cryin'  
yet my tears can't compare to the rain  
and if you told me to i'd probably stay by you  
yet in the end it all hurts the same  
it's always the same,

don't ask why, you say  
just know that it is what it is.  
yet if you and i aren't here for love  
then tell me what it is i can give  
that i can give you  
to keep  
your warm body next to me  
you're fading out now,  
and in your empty eyes all i can see  
is that,

if i keep on tryin'  
then i'll just keep cryin'  
yet my tears can't compare to the rain  
and if you told me to i'd probably stay by you  
yet in the end you know it hurts the same  
it's always the same,

'cuz if i keep on tryin'  
then i'll just keep cryin'  
yet my tears can't compare to the rain.  
and if you told me to  
i'd probably stay by you

yet in the end you know it hurts the same

it's always the same,
