.. the bulldog, 44 ... all metal  
Size me up, your face I cut,  
Bubble up...your skin, remove the ...  
You smell that puff? Ah, you smell that dust?  
Do right ... ill way, on the animal walls...  
Ufo's ... you knock off balance  
It's the gunplay embassy, ak chemistry,  
How ... you trying to .. in the ...  
Rap plenty... clap, clap many sticks  
Made a ... I'ma fuck me a skinny bitch  
... when the pigs, ...wham  
And New York... sipping that brown shit...

Hey yo Ghost, you right my...  
It's only right we take it back to 80's, get this money all  
over again  
Hey yo, ... count me in

He yo, ... drop the bomb on them, ...tracks are better  
my arm on them  
Hand on the Glock, coke on the block  
I must be ... still signed to the rock  
... don don see me in the coop with a broad  
Double park next to your...  
Clown looking at me like he wanna get jawed  
Weed in the sky, shades on the eyes, just smoked 2 but  
I ain't ...  
my flow is ... yours is pathetic  
I'm a g, every hood know what I'm about... when  
benjamins came out  
Before I had a car to walk the same route... blast your  
brains out  
This rule block, we're hot and you're not  
Chicks all around, bottles of sirrock, ...  
Now I'm in the glock, but we don't need that  
Erybody show love, and we don't stop  
Sheek and Ghost represent that hip hop  
And we don't stop  
Sheek and Ghost represent that ...block.
