Hey, I'm looking for good love, yeah
Met a lot of women, now they all tore
Ran through 'em all but I'm just not sure
Good love, I like that baby

Yeah, we gonna fight but I think that's just
Good love, yeah
First class flights, almost home
But I just can't keep still

Fresh off the plane into the bin
Note a lil water in what you pay for your rent
I'm tired of the road, no shows booked
Need somethin' home cooked, I like that baby

Straight in the door, straight to the floor
I'm already high but light up one more
Just got home I'm tryna chill
But I just can't keep still

Gotta hit the block, get a lil 'gnac
Fuck with the hood, see if niggas is good
Jake is on me asking me why my music all loud
I just tell him, "I like that baby"

Throw a lil dice, head cracked twice
Light somethin' up, I'm starting to feel nice
They loopin' around, lemme go and peel
'Cause I just can't keep still

Yeah, I'm looking for good love, yeah
Met a lot of women now they all tore
Ran through 'em all but I'm just not sure
Good love, I like that baby

Yeah, we gon' fight but I think that's just
Good love yeah
First class flights, almost home
But I just can't keep still

Hat low enough, short sleeves no cuffs
Aston-Martin sittin' outside tough

Shorty shotgun, Black Hillary Duff
Shit built big like I was down with Puff
Now I'm in the club, no V.I.P

I'm down low where every last hoodlum be
I feel baby boy tryna eye roll me
But I just can't keep still

Walk up to him, you know nice and polite
Let him know it's real, it's for sured up light
I'm a let it off 'cause I ain't tryna fight
But ya damn right, I like that baby

Anyway, I'm tryna see who else here
I see shorty staring at me way over there
I'm sorry, baby girl but I gotta disappear
'Cause I just can't keep still

Hey, I'm looking for good love, yeah
Met a lot of women now they all tore
Ran through 'em all but I'm just not sure
Good love, I like that baby

Yeah, we gonna fight but I think that's just
Good love yeah
First class flights, almost home
But I just can't keep still

Betty Wright knocking, got 'em all rocking
'Bout to do the electric slide on the block and
Yeah, this popping, got 'em goin' crazy
From 8 to 80, I like that baby

It feels so good, you can't sit down
You gotta get up and move your phat ass around
You don't care who watchin', you keepin' it real
'Cause you just can't keep still

Hey, I'm looking for good love, yeah
Met a lot of women now they all tore
Ran through 'em all but I'm just not sure
Good love, I like that baby

Yeah, we gonna fight but I think that's just
Good love, yeah
First class flights, almost home
But I just can't keep still

Good love yeah, good love I like that baby
Good love yeah, just can't keep still
