Your reputation caught my attention  
I just can't help myself  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Until you understand  
Until you understand  
Until you understand  
Until you understand  
Until you understand  
Until you understand  
See me on that block hey on my â€¦  
Niggers know I am gonna pop  
Big face ..ask the police take a ride in the stole  
My reputation cause investigation  
Years in the game hot across the nation  
Louis on my feet diamonds on my ribs  
Straight in the club I don't even know the list  
I am hot I am laughing at niggers like ..  
Bottles in the air standing on a chair  
You are coming home with me shorty answer like  
I am killing this money it ain't fair  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Until you understand  
Until you understand  
Until you understand  
Until you understand  
Until you understand  
Until you understand  
What don't you understand  
You are looking at the man  
.. coke under the â€¦ lead it the hard way  
Let the dog turn ten more probes with you will de low  
sound scared  
Surrounded pine apple raised and apple growing up

mixed .. with a snapped  
Now I do the rose G is on the code G is on my .. throw G  
at these hoes  
Same too roudy same make a wholes hotel room too  
cloudy fuck them in the moudy  
Stand on the couch bottles in the air your both coming  
with me to answer like  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Just gotta show you  
Until you understand  
Until you understand  
Until you understand  
Until you understand  
Until you understand  
Until you understand
