Wind it up!
Straight at the gate they call me... heavy gonna play
Fresh to death like I'mma rip the world way
Rip the karma, pass some burbon
..my nigga head back
Watch her break her ass so fat
...but she like it like that
Pull a little weed when I hit it from the back
I'm hot, union square all surrounded
When I finish this bottle I'mma leave with a model...
I'm gone, gone, let me act!

Chorus:
Do you like it baby?
I love it daddy!
Do you want it right now?
Of course I do!
You gonna hold your man down
All the time
Go girl! Go go!
Do you like it baby?
I love it daddy!
Do you want it right now?
Of course I do!
You gonna hold your man down
I got you baby!
Then let me see you

move that ass back, give me my glass black
I'm going to jail cause I'm going harass that
That... to six hundred
..like she a real..
Mona Lisa, Mona Lisa let me taste you!
Hurry up and drink that gray goose
I'm on too, and the place is on fire
Seen a lot of Gabrielles and Mayas
The old generation keeps supplying us
Deserve comfort, shake your thighs and butt
The result came when she sat on my lap
Saddle my back, do you like that?

Chorus:
Do you like it baby?
I love it daddy!
Do you want it right now?
Of course I do!
You gonna hold your man down
All the time
Go girl! Go go!
Do you like it baby?
I love it daddy!
Do you want it right now?
Of course I do!
You gonna hold your man down
I got you baby!
Then let me see you wind it up!

A little pain killer and a... is she dropping the drawers
Took her from the hood to the Gucci stores
Just because I'm...
You call it trick and I don't think about it
Maybe cause I'm high and my brain is cloudy
I don't wanna fuck...
I thought I heard wrong cause the club is crowded
Yeah, .. in a chair right there
She is... and I'm popping
When I pay bad, I don't pay fair
Like ass up, hands dug... to the chair!

Chorus:
Do you like it baby?
I love it daddy!
Do you want it right now?
Of course I do!
You gonna hold your man down
All the time
Go girl! Go go!
Do you like it baby?
I love it daddy!
Do you want it right now?
Of course I do!
You gonna hold your man down
I got you baby!
Then let me see you wind it up!
