I still dream of Organon.
I wake up crying.
You're making rain
And you're just in reach
When you and sleep escape me

You're like my yo-yo
That glowed in the dark

What made it special
Made it dangerous
So I bury it and forget.

Everytime it rains,
you're here in my head
Like the sun coming out -
Ooh I just know that something good is going to
happen
And I don't know when
But just saying it could even make it happen.

On top of the world
Looking over the edge
You could see them coming
You looked too small
In their big black car
To be a threat to the men in power.

I hid my yo-yo in the garden

I can't hide you from the government
Oh God, daddy - I won't forget

Your son's coming out
