Hello Earth  
Hello Earth  
With just one hand help up high  
I can blot you out,  
Out of sight  
Peek-a-boo,  
Peek-a-boo, Little Earth.  
With just my heart and my mind  
I can be driving,  
Driving home  
And you asleep on the seat.

I get out of my car,  
Step into the night,  
And look up at the sky  
And there's something bright  
Travelling fast.  
Look at it go  
Look at it go.

Watching storms  
Start to form  
Over America  
Can't do anything  
Just watch them swing  
With the wind  
Out to sea  
All you sailors  
(get out of the waves, get out of the water)  
All life-savers  
(get out of the waves, get out of the water)  
All you cruisers  
(get out of the waves, get out of the water)  
All you fishermen  
Head for home  
Go to sleep little earth,  
I was there at the birth,

Out of the cloud burst the head of the Tempest,  
Murderer, Murderer, of calm,  
Why did I go?

Why did I go?

Go to sleep little earth
