Beelzebub is aching in my belly-o  
My feet are heavy and I'm rooting in my wellios  
And I want to get away and go  
From all these mirror windows  
I look at eye level, it isn't good enough  
And then I find out, when I take a good look up  
There's a hole in the sky with a big eyeball  
Calling me-

(Chorus)

Come up and be a kite  
And fly a diamond night  
A diamond kite, a diamond kite  
Ooh, what a diamond!

A diamond kite, on a diamond flight  
Over the lights, under the moon  
Over the lights, under the moon  
Over the moon, over the moon

I feel a rush along my body like a bullet  
I'm 2D, after a push and pull feeling  
And I want to get back to safe home  
I love the homeland dome  
I got no limbs, I'm like a feather on the wind  
Well I'm not sure if I want to be up here at all  
And I'd like to be back on the ground  
But I don't know how to get down

(Chorus)
